

Half Size Face Out for Base Units (Set of 4)

Description

D.B. Imports Wholesale Display Fixtures offer a set of 4 half size face out base units for your storeâ€™s displays. These stylish display fixtures feature heavy-duty construction to ensure durability and strength, making them perfect for any business environment! Their modern design allows for easy organization and visibility of merchandise, ensuring that customers can easily find what theyâ€™re looking for when shopping. These glass inserts are designed to be compatible with our etagere models (4366). The adjustable arms make it simple to customize the height and angle of each unit, allowing you to tailor the look to fit your storeâ€™s specific needs. Investing in these quality display fixtures is sure to draw more attention and encourage shoppers.
