

2067-S Small Round Table/Riser

## Description

Our small round table is the perfect way to display goods and merchandise in any retail setting. This white-topped table can also function as a riser for our regular round and low round tables (2069 and 2068), allowing customers to better see your products at eye level. The stainless steel finish legs provide excellent stability and durability so you can have peace of mind that your items are secure. The minimalistic design makes this an elegant addition to any shop or store, ideal for effectively showing off your merchandise with style.
