

Set of 6 Bracelet Bars

Description

Our bracelet bars are perfect for displaying your jewelry collections in a stylish and organized way. These fashionable bracelet bars come with a black finish and are compatible with our magnetic spinner, which allows you to easily spin the bar around to better show off your items. The set of six ensures you have enough space to store various types of bracelets, so that customers can view them up close. Also, these bracelet bars are compatible with our magnetic spinner (7071) so you can keep your collection constantly rotating.These sleek displays will make an eye-catching addition to any retail shop or boutique.
