

2075C Set of 2 Small Shelves

Description

Our small shelf extensions are a versatile storage solution and have been crafted with wooden construction for durability. These shelves are designed to be used with our single and double modular etageres (2073 and 2074). Featuring a classic white finish, these shelves match any retail or office decor. Whether it is in your kitchen, bathroom, bedroom, or living room—our products provide extra storage and display space without compromising on style. With their compact size and lightweight design, our small shelves are easy to move around in tight spaces for added convenience and flexibility.
