

2111A-BLK Small Etagere with Storage

## Description

The small etagere from D.B. Imports is the perfect choice for stylish storage in your wholesale décor or business space. The sleek black finish and tempered glass shelving ensure that this piece stands out with sophistication, while LED lighting adds brilliant illumination to any room it graces. The three adjustable glass shelves and generous surface area provide plenty of organizing options, and a lower compartment offers additional storage for items you don't want on display. The versatile design allows you to float the etagere around your shop.
