

2111A-S Antique White Slatwall Panel for 2111A-AW

Description

The D.B. Imports Slatwall Panel is a sturdy and stylish addition to any retail space or display area. Crafted from high-quality wood with a timeless antique white finish, this panel provides displays that are both durable and elegant. This panel is designed to be compatible with our white small etagere with storage (2111A-AW). The slatted design creates ample storage space for hanging merchandise, while the smooth surface makes organizing items easy and efficient. With this stunning piece of furniture from D.B Imports, you can create an inviting atmosphere in your business without sacrificing on style or function.
