

2119-T Quartz Top for Island Counter 2119

Description

D.B. Imports Wholesale Display Fixtures offers a unique quartz top made specifically for our island counter (2119). Crafted from premium quality quartz material, this top is extremely durable and will last for years with no signs of wear and tear. Its attractive polished surface adds to the aesthetic appeal of your counter display while its high-gloss finish provides a smooth, chip-resistant surface that withstands everyday use. This accessory product will be an eye catching addition to any retail store or commercial space.
