

2119A-T Quartz Top for 2119A Counter Stand

Description

The D.B. Imports Wholesale Display Fixtures' quartz top is a unique and stylish addition to any retail store or commercial space. Crafted from premium quality quartz material, this top offers an extremely durable and chip-resistant surface that can withstand the rigors of everyday use without showing signs of wear and tear. Its attractive polished surface gives your counter display an eye catching appeal, while its high-gloss finish provides a smooth texture for added durability. This accessory product is designed specifically for our counter stand (2119A) ? perfect for displaying products in style.
