

3 Tier Draper's Stand

Description

This draper's stand is the perfect addition to your retail space. It has three tiers of strong wooden shelves, painted in a clean white finish. Its versatile design allows you to easily store, display and organize items such as clothing and accessories with ease. The stoppers on each tier provide increased stability for heavier items or those that do not fit exactly into one shelf section. This durable fixture will last for years and is sure to make a statement in any shop.
