

4342-DP 3 Tier Round Counter Top Display

Description

This three-tier round counter top display is perfect for displaying merchandise, as its spinning feature creates an accessible and enthralling view. Crafted from distressed pine with a brown finish, and a metal middle frame, this product offers plenty of space to showcase your items as well as excellent durability. Itâ€™s sure to add a unique touch to any store setting, making it an eye-catching addition thatâ€™s sure to draw customers in. The spinning levels also allow you easy access when stocking or rearranging items within the display. D.B. Imports has crafted the perfect fixture for creating beautiful displays.
