

4346-DW 4 Tier Square Table

Description

Introducing our four tier square table with a white finish and metal base. This stylish display is perfect for showcasing your merchandise in any retail space and at multiple heights, while its strong and durable construction ensures lasting reliability over time. The neutral color palette will easily blend into any interior design theme you create, making it a great addition to your store. This tiered square table is the ideal way to draw attention to special items and collections in your retail space.
