

4337-DP Single Etagere with 4 Adjustable Shelves

Description

Our single etagere is the perfect addition to any space. This 6-level display fixture has a sturdy metal frame with distressed pine brown wood shelves, adding a rustic yet sophisticated charm. Its versatile design allows it to be used in retail stores, offices, homes and more as a stylish storage or decorative display piece. With its durable construction and classic look, this etagere will last for years to come and adds an attractive accent wherever you choose to place it.
