

4337-DW Single Etagere with 4 Adjustable Shelves

Description

Our single etagere is the perfect display fixture for any space. This 6-level piece has a sturdy metal frame with white finished shelves, giving it a rustic yet sophisticated charm. The four adjustable and removable shelves are specially designed to lift out and set into place securely without tools or hardware. Ideal for stores, offices and homes alike, this versatile etagere can be used as either decorative storage or stylish display. Its durable construction ensures that it will last many years and adds an attractive touch wherever you place it.
