

4338-DP Double Etagere

Description

Our double etagere is the perfect display fixture for any space. This 6-level piece has a sturdy metal frame with distressed pine brown wood shelves, giving it a classic charm. Ideal for retail stores, offices and homes alike, this versatile etagere can be used as either decorative storage or stylish display. Its durable construction ensures that it will last many years and adds an attractive touch wherever you choose to place it. Whether you use it in your shop, store or office, our double etagere will make an eye-catching addition to any interior design scheme.
