

## 4339B Set of 2 Large Connecting Hang Bars

### Description

Our D.B. Imports Wholesale large Hang Bar extensions are the perfect storage solution for any home, retail or office space. This set of two rectangular hang bars are crafted from durable metal and finished with a classic dark metal finish that will perfectly complement any modern style of decor while providing ample storage space to showcase your items. These large hang bars come in a modular design, allowing them to easily expand our single and double modular etagere systems (2073 and 2074) and display shelves (2029). With this set of two, you'll have a stylish display option for all your items.
