

4339F-DP Set of 2 Large Connecting Shelves

Description

Discover the perfect storage solution for retail stores or home interiors with D.B. Imports Wholesale Display Fixturesâ€™ connecting shelves. Crafted from durable wood and coated in a classic warm finish, this set of two rectangular-shaped shelves will complement any style of dÃ©cor while providing ample space to store and display items. The modular design allows them to easily expand our existing single and double etageres (4337 and 4338) , while its lightweight construction makes it ideal for moving around tight spaces when necessary. Bring timeless beauty into any room with our connecting shelves â€“ perfect for apparel, gifts, home dÃ©cor, plush, candles, housewares and personal care items.
