5 Tier Draperâ€™s Stand

Description

This 5-tier Drape Stand from D.B. Imports is the perfect addition to your retail space, offering a classic wooden construction with a black finish for a sophisticated look. All five tiers are adjustable and customizable so you can adjust the height of each tier based on what works best for your display needs. The sturdy construction makes this stand ideal for holding heavier items such as garments and other apparel items, ensuring that your displays will stay firmly in place even during peak seasons or heavy selling days. This high-quality drape stand offers an elegant solution to store displays while adding sophistication and style to any merchandised area.
