

2031 Adjustable Barstool

Description

Our adjustable bar stools are perfect for any home or retail space. They feature a wood swivel seat with metal base and an attached footrest for added comfort. The stool can also acts as a riser on our nesting table (item 2028), and its versatile design allows you to change its height, making it ideal for a variety counter heights. With its sleek and modern look, our bar stools will be a stylish addition to your seating area. * * Note: Elm Wood by nature is a dry wood. It is recommended to apply wood conditioner or paste wax every 6 months to maintain the moisture & integrity.
