2038 Adjustable Round Table

Description

Introducing our adjustable round table, the perfect addition to any office or home. This metal base with footrest provides flexibility and durability while its smoothed wood table top offers a touch of style and sophistication. With adjustable height levels, this versatile piece can be used in various settings for both work and play. From dining rooms to meeting areas, youâ€™ll love the modern look it brings to your space. Raise or lower 6 inches with a simple one hand turn form standard dining height of 29/30 inches to a max height of 36 inches. Pair with its companion, our adjustable bar table (item 2039) for a gorgeous multi level display with soft round lines and ability to partially nest under the bar table. Our bar stool (item 2031, also adjustable in height) pairs perfectly in style and function. Note: Elm Wood by nature is a dry wood. It is recommended to apply wood conditioner or paste wax every 6 months to maintain the moisture & integrity.
