

Counter Stand

Description

The three-tiered counter stand from D.B. Imports is a must have addition for any retail space, home or office! Featuring three surface levels and an adjustable shelf, youâ€™ll never have to worry about running out of display and storage space. Crafted with sturdy composite wood, the counter stand is built to last and offer stability thanks to its durable bun feet design. The three-tier counter can also be used as an extension for our two tier counter (item 2119X) or island counter (item 2119), letting you customize your setup according to your needs. Get yours today and enjoy years of reliable use!
