

Counter Top Spinner

Description

D.B. Imports's black counter top spinner is the perfect solution for those who need extra storage and display space. This 4-tier locking door spinner features tempered glass shelves, ensuring maximum stability when displaying or storing more expensive items. The slanted edges provide a modern look and also offer optimal durability to guarantee that this piece will remain in style for years to come. Our Counter Top Spinner is ideal for both commercial and home settings, making it an excellent choice for any space looking to add some stylish organization.
