

4340-DW Counter with Glass Top On Caster

## Description

This counter from D.B. Imports Wholesale Display Fixtures is the perfect addition to any wholesale store or business space. With its high gloss white base and glass top, the counter gives the appearance of excellence while ensuring your items are seen in all their glory. The counter also has convenient rolling casters, making it easy to move around and reposition as needed. Whether you just need a spot to display merchandise or want an open area for customers to write orders, this beautiful counter has everything you need.
