

Crank Apparel Hanger

Description

D.B. Imports's white iron crank apparel hanger is the perfect storage solution for any style of home, office, or retail space needing extra storage. This freestanding unit offers easy manual height adjustment with a solid white iron base and two side hooks, allowing you to hang accessories like hats or scarves in addition to clothing items. The Hand Crank moves smoothly allowing for height adjustment. Its sleek design ensures stylish organization for many years to come, making it an ideal choice for everyday use.
