

2074-B Double Modular Etagere

Description

Our double modular etagere is perfect for adding an elegant touch to any display space. Crafted with a white high gloss top and a sturdy metal frame with a beautiful brass finish, this six tier shelf offers plenty of room to showcase all your favorite items. This design has twice as much storage space as our single modular etagere (2073). This piece is sure to make any retail decor shine.
