

2072-S Double Sided Apparel Rack

Description

This double-sided apparel rack from D.B. Imports is perfect for any retail store. This stylish and sturdy display fixture features a white high gloss top and tall metal poles with a stainless steel finish. The dual sides of the rack make it easy to customize your merchandising displays. Whether you're stocking sweaters or hanging dress shirts, this clothing rack will help you showcase all of your products in style.
