

2061-B Double Sided Etagere

Description

The double sided etagere from D.B. Imports is a wonderful piece of furniture that is perfect for displaying your favorite decorations or items. Available in bronze or silver steel finishes, this sturdy three-tiered structure features three shelves made out of tempered glass and LED top lighting, which helps create an elegant illumination effect around the display area. The adjustable tempered glass shelves allow you to customize the height of each tier to meet your needs, while the lower storage area provides extra room for storage if desired. Free float for shop around or place against an exterior wall.
