

7088-W Extra Large Neck Form

Description

D.B. Imports offers an extra large solution for retail displays - white finish wooden frame neck forms with metal hanging posts. Our products are designed to securely mount and display delicate merchandise like necklaces, bracelets and other apparel items in an attractive manner suited for boutiques and department stores alike. Utilizing high-quality materials and construction methods, our sturdy extra large neck form will provide long-lasting performance through years of heavy use. With D.B Imports' wholesale display fixtures, you can take your retail store to the next level.
