

7088 T-W Extra Large Neck Form – Telescopic

Description

Our extra-large neck form jewelry stand from DB Imports is the perfect way to show off your retail or personal collection. Crafted with a telescopic feature and adjustable metal base, this jewelry stand boasts an attractive white wood finish that adds class and sophistication to any decor. It's lightweight design makes it easy to move around or transport when needed, so you can use it both in the home and boutique shops alike. A must-have for any wholesaler or collector.
