

Floating Cubes

Description

D.B. Imports brings you this set of stunning floating cubes, perfect for showing off your merchandise in style. These cube display wall fixtures feature a metal frame with top and bottom glass surfaces that have been finished in white to create a sleek, modern look. They are the ideal solution for retail stores looking to maximize their displays while still maintaining an eye-catching design aesthetic. Plus, each cube is lightweight and easy to assemble – making it simple to give your store a brand new makeover without breaking the budget.
