

Floating Cubes

Description

D.B. Imports Wholesale Display Fixtures are a stylish and practical solution for retailers who want to create an eye-catching display without spending too much money or effort. These floating cubes feature top and bottom glass surfaces, as well as metal frames with a sleek black finish. This combination of materials is sturdy yet lightweight, making them easy to assemble into any design you choose. Each cube also comes in their own box which makes transporting the items convenient and efficient! With these wholesale display fixtures from D.B Imports, bringing your merchandise to life has never been easier.
