2026-2 Four Tier Stand

Description

This four tier shelving stand from D.B Imports is the perfect solution for displaying products in any retail or commercial setting. Built to last, it features freestanding shelving with locking caster wheels to provide maximum stability when moving and arranging items. Constructed of reclaimed elm wood and aged iron, this shelving display unit offers multiple levels of usable space on each shelf and can be easily moved or reconfigured as needed without any tools or extra hardware. Pair this with any or all of the item 2026 counterparts for an immersive display.
