

2037 Garment Rack with Hanger

Description

Our garment rack is perfect for organizing and displaying your inventory. The locking caster wheels give you the flexibility to easily move it around, while the metal pipe hanger bars provide a sturdy base that wonâ€™t bend or break. Wooden shelves also add additional storage space so you can store items above and below your inventory. A set of three additional shelves is available for extra storage options (item 2037-S). Note: Elm Wood by nature is a dry wood. It is recommended to apply wood conditioner or paste wax every 6 months to maintain the moisture & integrity.
