

2066A High Gloss Showcase

Description

The elegant and modern six tier showcase from D.B Imports will add a high-class touch to your showroom. Made with high gloss lacquer white finished wood, this contemporary piece features secure adjustable glass shelves for displaying merchandise. The showcase is also equipped with a three light LED system attached to the underside of the top of the shelf to ensure the perfect ambiance and visibility in any room. With additional storage included in the bottom of the unit, and a durable construction, put an upscale spin on your business today with the top of this line item from D.B Imports!
