D.B. IMPORTS, LTD.

Island Counter

Description

The Island Counter from D.B. Imports is an attractive and practical piece of furniture for any retail, cash wrap or decor space. Crafted with composite wood and finished in a stunning black color, this counter features two spacious storage drawers plus two adjustable shelves that provide plenty of organizational options to keep your items within easy reach while keeping clutter out of sight. With its elegant modern design, this island counter adds an element of sophistication to any setting â€“ great for homes, offices and stores alike!
