

Island Counter

Description

The Island Counter from D.B. Imports is a chic yet practical solution for any retail, cash wrap or decor space. Made with composite wood and finished in a stunning white color, this counter provides two spacious storage drawers and two adjustable shelves to help you stay organized. Its modern style adds an element of sophistication to your décor while helping keep clutter hidden away from view. The perfect addition to your retail space, home or office, this island counter will make sure all your essentials are easily accessible!
