

Jewelry Case with storage and LED lights

Description

The DB Imports display case is an ideal solution for displaying and protecting your precious merchandise. This traditional design features a locking glass door, LED light strip to showcase the items inside, and adjustable shelves with two locking storage compartments. Keep your valuable possessions safe while still enjoying them due to the clear view this case provides! The sleek style of this piece makes it perfect for any retail setting. With the extra security provided by its locking doors, you can rest easy knowing that your valuables are protected from the elements and intrusions alike.
