

2023 Leaning Bookshelf

Description

The D.B Imports leaning wall shelf is a slim, modern storage solution made of elm wood, making it perfect for adding style and storage to any room. This piece features an eye-catching design with four tiers designed to hold retail, home & garden merchandise. The top of the shelf leans against the wall and has a natural grain texture on each shelf that creates an elegant look enhancing the decor in any space. * * Note: Elm Wood by nature is a dry wood. It is recommended to apply wood conditioner or paste wax every 6 months to maintain the integrity of wood.
