

Medium Pedestal

Description

The D.B. Imports pedestal table is the perfect addition to your living space or office. Its metal base provides a strong and sturdy foundation and its distressed pine brown wood top adds an elegant touch of style and sophistication to any room. The pedestal design gives you extra legroom, so you can spread out all of your items without feeling cramped or cluttered. It's also easy to clean and maintain, making it the perfect multipurpose piece for any home or office decor. This also comes as part of a trio - pair this medium size (item 4364) with the small (item 4363) and large (item 4365) pedestals to complete your collection.
