

2032 Metal Shelf w/ Wood Backing

Description

This five shelf metal & wood shelving unit from D.B. Imports is the perfect choice for multipurpose storage and display solutions. With its slim design, it can fit in almost any space without taking up too much room. The elm wood backing and accented iron provide additional strength and stability to ensure your items are properly supported and stored securely. This five shelf unit is a great way to add style to any retail, home or office environment while optimizing storage capabilities simultaneously. * * Note: Elm Wood by nature is a dry wood. It is recommended to apply wood conditioner or paste wax every 6 months to maintain the moisture & integrity.
