

Modular Rolling Rack Glass Shelf

Description

Our Modular Rolling Rack glass shelves are perfect for organizing and displaying your items. Made with tempered glass, these shelves offer added durability and strength for anything you may want to store on them. They are easy to assemble and disassemble, making them perfect for taking along in retail stores or transporting from place to place. These shelves are designed to be compatible with our modular rolling racks (4359). The clear design of the shelves also lets customers easily view every item stored on it. Whether you're setting up a smaller shop or looking for an organized display area, our modular rolling rack shelves will meet your needs.
