

2034 Round Table

Description

The large round table from D.B. Imports is perfect for displaying merchandise. Its large round top is crafted from smoothed elm wood and an iron base, giving it a contemporary look that will add sophistication to any space and offers easy access for potential customers. Add its small companion (item 2033) as a riser table to add height & visual interest or simply along side. * * Note: Elm Wood by nature is a dry wood. It is recommended to apply wood conditioner or paste wax every 6 months to maintain the moisture & integrity.
