

Round Nesting Table

Description

Introducing our round nesting table from D.B Imports – the perfect combination of antique charm and modern style! This versatile piece features an antique white metal base that’s complemented by a distressed pine brown top, creating an eye-catching look suitable for any room. The round design allows it to fit into tight spaces without taking up too much space when not in use, making it ideal for small apartments or homes. Additionally, we constructed the surfaces using Mango Wood – a dense and durable sustainable wood known for its beauty. Complete the look with item (7210-W), which fits perfectly within the base frame of this nesting table! Add antique charm and sophistication to your living or retail space with our stunning round nesting table today.
