

Round Table

Description

This antique metal base round table from D.B. Imports is perfect for any living or retail space. Its classic antique black iron base and charcoal distressed brown top finish provide a timeless elegance that will coordinate beautifully with existing decor and accessories in the room. The round design makes it ideal for special occasions or everyday gatherings, while its modern convenience ensures it won't miss out on style or practicality. With its antique iron base and distressed pine brown top finish, this classic round table adds unique character to any home or retail setting!
