

Round Table

## Description

This antique metal base round table from D.B. Imports is perfect for any living room or dining area. Crafted with a white antique iron base, it will add a touch of classic style to your retail or home decor without missing out on modernity and convenience. The crisp distressed brown top finish offers an elegant look that will easily coordinate with existing décor and accessories in the space. With its timeless design, this table makes a great accessory choice for special occasions or everyday settings.
