

Set of 4 Wooden Trays

Description

Our set of four wooden trays is perfect for organizing and displaying your wholesale apparel. Crafted with wood, these trays are strong and durable enough to withstand the demands of any busy retail environment. The deep compartments provide ample space to store and showcase products in an attractive manner, while the flat surface design allows customers to easily access items at a glance. With their classic look, these wooden trays can bring visual appeal and convenience to any shop or display setting.
