

Shelves & Brackets (Set of 2)

Description

This set of 2 shelves and metal brackets is the perfect addition to any retail business. The glass shelves are easy to assemble and feature a sleek design that adds a modern touch to your display. The sturdy metal brackets securely hold the shelves for added durability and strength, allowing you to create attractive displays for your products. These products are designed to be compatible with our cast iron modular wall unit (7230) and our iron posts (7231). D.B Imports's wholesale display fixtures provide an elegant yet affordable way to show off merchandise in style.
