

2067-B Small Round Table/ Riser

Description

The D.B. Imports small round table/riser is perfect for displaying apparel and other items in any retail setting. This circular table has a white top surface with a beautiful bronze metal finish on the legs, giving it an elegant look that will fit into any decor style. The sturdy metal legs also function as risers to provide more height to the display while keeping your items securely off the ground. Whether you are starting out or need an upgrade, this enjoyable addition to your shop is sure to make customers smile.
