

2082 Nesting Table

Description

Introducing our stylish and functional nesting tables! Crafted with a durable white high-gloss table top material, these tables also feature stainless steel finished legs for an elegant look that will steal the show in any retail space or room. Perfect when used separately or together as multi-tiered accent pieces, these nesting tables will immediately class up your retail space or home decor. You can also combine them with our table risers (2080) and tall tables (2081) to create unique displays. Plus, they are simple to assemble, lightweight and easy to store when not in use. Get yours today and add style and practicality to your home decor.
