

2082-B Nesting Table

Description

Our nesting tables offer the perfect combination of modern style and versatile function. Crafted with a durable white high-gloss table top material, each table is complemented with brass finished legs for an elegant look that will command attention in any space. Whether used separately or together as a multi-tiered accent piece, these tables bring sophistication to every room in your retail space or home. These nesting tables are designed to pair with our table risers (2080) and our tall tables (2081). With their simple assembly design, they are easy to store when not in use and are lightweight enough to be moved easily if needed. Add our uniquely designed nesting tables today and add style and practicality to your home decor.
