D.B. IMPORTS, LTD.

4341-DP Register Cubby

Description

This charming register cubby features a distressed pine brown finish for a rustic, yet modern look. It has an appealing wooden frame with a compartment to store your register. This unit is the perfect choice for any retail shop or business looking to organize their payment systems in style. With its simple construction and classic design, youâ€™ll have customers feeling pleased as soon as they come near it.
